

I only play video games alone since it helps me not to think of anything I want in real life.

It works!

I don't feel bad about anything anymore

No matter how much I resisted, he still forced me to register.

While Jack got 3rd place, I only got a judges' list award. The comment that the judges gave me was that my drawing techniques were great, but the story itself wasn't strong enough.

Jack comforts me but also says: "sorry, I only know how to teach you drawing skills. You should spend some time to find your own way to tell stories."

I...

will never be good enough no matter how hard I try.

believe I can improve my storytelling skills with more practice!
