

While Jack got 3rd place, I only got a judges' list award. The comment that the judges gave me was that my drawing techniques were great, but the story itself wasn't strong enough.

Jack comforts me but also says: "sorry, I only know how to teach you drawing skills. You should spend some time to find your own way to tell stories."

I...

will never be good enough no matter how hard I try.

believe I can improve my storytelling skills with more practice!

In order to create better story, I gradually pay less attention to my daily life but...

watch a lot of anime to try to learn from them

keep drawing in my room alone to try to think of story ideas
