

I stop drawing.
I study hard. My parents are happy. My teachers like me. I
find new friends.

I...

apply to good universities to fulfill
my parents' expectation.

I participate in an anime contest since I want to know the level of my work by comparing to others. I didn't get into the top three but got into a judges' list award. The comment that the judges gave me was that my drawing techniques were great, but the story itself wasn't strong enough.

I...

will never be good enough no matter how hard I try.

believe I can improve my storytelling skills with more practice!
